JOINT STATUS UPDATE

JOINT STATUS UPDATE

2 Plaintiffs Temujin Labs Inc., a Delaware corporation and Temujin Labs Inc., a Cayman
3 Islands corporation (“Plaintiffs”) and Defendants Translucence Research, Inc., Benjamin Fisch,
4 Charles Lu, Nathan McCarty, and Benedikt Bünz (“Defendants”) (Plaintiffs and Defendants
5 collectively “Parties”) respectfully provide the following joint status update:

6 On October 11, 2022, the Court issued an Order that vacated the Case Management
7 Conference set for October 18, 2022 and ordered the Parties to meet and confer to discuss
8 whether they consent to having Magistrate Judge Cousins preside over this case. Dkt. 46. The
9 Court further ordered that if the Parties do consent, “they shall file a stipulation and proposed
10 order within seven days of the date of this order.” *Id.*

11 Defendants have relayed to Plaintiffs that they will consent to having Magistrate Judge
12 Cousins preside over this case. However, counsel for Plaintiffs need to further discuss this issue
13 with their clients and need another day to do so. Counsel for Plaintiffs apologize for any
14 inconvenience to the Court. Plaintiffs will provide a response to the issue of whether they will
15 consent to having Magistrate Judge Cousins preside over this case as soon as possible.
